# In detail

A BRAND NEW and high specification three bedroom (one en-suite) detached property with ground floor underfloor heating, air source heat pumps and good sized gardens, situated in a popular semi-rural location.

Planning has been granted for two 'three bedroom (one en-suite) detached' properties which will be designed to a high specification and are due to be completed April 2026.

This property (plot 2) will offer modern and light accommodation and is equipped with energy efficient heating systems. Internally comprising; entrance hall, kitchen/diner, lounge, three bedrooms, one en-suite, one bathroom, and stairs leading upstairs (one with en-suite) and a bathroom. Externally, there are sizable gardens and parking available.

Please note, this property will benefit from the following:

- En-suite master bedroom
- Full ground floor underfloor heating
- Air source heat pumps (more cost effective to run)
- French doors providing access to rear patio
- Tiled flooring downstairs
- Tiled flooring and walls in bathrooms
- Good sized gardens
- Solid wood doors

Situated in the village of Joys Green/Lydbrook, which is sought after due to its famous River Wye (perfect for wild swimming/canoeing), this location also offers some of the best scenery for mountain biking in the country and excellent walking/hiking routes.

Other facilities include; primary school, local shop, pubs, health care and a community centre. A wider range of facilities are also available throughout the Forest of Dean including a variety of sports grounds, a large amount of woodland and river walks. The Severn crossings and M4 towards London, Bristol and Cardiff are easily reached from this area and the Midlands.
